I'll Rip Your Spine Out

Gillan

And you say there ain't nothing here for me
And you tell me I'm wasting my time
Can't play a natural role with my lady
Got to just take my place in your line
Now you listen to all that I'm saying
I'm a free man and I'll show you how
There ain't no politics that I'm afraid of
And I may just eat your sacred cowListen dumb punk I'll rip out your spine
If you rouse me from fantasy land
You live your life and I'll live mine
Or things won't turn out the way you planned
You know your intrusion's untimely don't you
I'm a free man and in my own land
I'll treat my woman the way that we want to
She is my woman and I am the man
If I give you my passion and freedom
If I send you my love for yourself
You'd just screw up and sow your foul seeds on
Virgin pastures and children of hope
Now you listen to all that I'm saying
I'm a free man and in my own land
I'll rip your spine out to show I'm not playing
So you'd better move on as fast as you can
