

# Dead Sky Dawning

## Hypocrisy

I woke up screaming from a nightmare  
That seemed so real  
A horrified vision of the skyline  
Covered up in steel I stumble outside  
Everything around me had changed  
I could not believe my eyes  
I stare into a world rearranged My heart was pounding faster  
Am I awake or still in a dream?  
The vision of final disaster  
The vision of empty streams I see a dead sky dawning  
A lethal encounter of the first degree  
I see a dead sky dawning  
No mercy for you, no mercy for me I see a dead sky dawning  
A lethal encounter of the first degree  
I see a dead sky dawning  
Its the end for you, its the end for me The world is silent  
Only the life from above can be seen  
Mercy comes and blinded me  
All fates creates and within for me Its not of this world  
Our senses [Incomprehensible]  
Something within me tells me  
Its the end of humanity My heart was pounding faster  
Am I awake or still in a dream?  
The vision of final disaster  
The vision of empty streams Released from this nightmare  
Let me wake up to find the world I knew  
But then I see the things that surround me  
I realize we are the chosen few I see a dead sky dawning  
A lethal encounter of the first degree  
I see a dead sky dawning  
No mercy for you, no mercy for me I see a dead sky dawning  
A lethal encounter of the first degree  
I see a dead sky dawning  
Its the end for you, its the end for me Its the end for me  
Theyve come to take me away  
Remembered as their prey  
The execution, right now, taking flight I see a dead sky dawning  
A lethal encounter of the first degree  
I see a dead sky dawning

No mercy for you, no mercy for me I see a dead sky dawning  
A lethal encounter of the first degree  
I see a dead sky dawning  
No mercy for you, no mercy for me
