

# When a Woman's Heart Is Broken

## Sparkle

When a woman's, woman's heart (Oh, oh)  
When a woman's, woman's heart  
When a woman's, woman's heart (Oh, oh)  
When a woman's, woman's heart You didn't have to tell me lies  
You didn't have to make me cry  
Never thought you were the playa type  
So many lovers on the side  
Don't want to hear what you got to say  
Right now the feeling's gone away  
So here's the price you gotta pay  
Ain't gotta go home  
But you can't stay (Can I take you shopping baby?) No nigga  
(What about dinner?) Forget it  
(What about dollas babe?)  
I don't want to see your face around here no more  
This time all I wanted was you to be there  
Instead you went and cheated When a woman's heart is broken  
Ain't no flowers gonna bring her back to you  
No way  
When a woman's heart is broken  
She remembers it forever  
When a woman's heart is broken  
You can get on your knees  
You can beg and plead  
I ain't takin' your shit this time  
Let the door knob hit you son  
Pack your bags, keep movin' on You didn't try to be discreet  
Had all your business in the street  
You took that trip to Tiffany's  
And you bought a ring but it was not for me  
I'm not gonna smash your windows  
I'm not gonna burn your clothes  
I just want to see you get the hell out now, now (Can I take you shopping baby?) No nigga  
(What about dinner?)  
Don't want to hear what you say  
(What about diamonds babe?)  
Why am I talking to you anyway?  
I don't want to see your face another day  
I don't want to hear what you say

I can make my own way When a woman's heart is broken  
Ain't no flowers gonna bring her back to you  
No way  
When a woman's heart is broken  
She remembers it forever  
When a woman's heart is broken  
You can get on your knees  
You can beg and plead  
I ain't takin' your shit this time  
Let the door knob hit you son  
Pack your bags, keep movin' on So leave the credit cards, the Benz  
No, no we can't be friends  
Just keep moving on, moving on  
Take the bus the way you used to  
I won't cry, still got pride  
Don't let the green grass fool you  
Get your things and get them fast  
I just want to see you get out now When a woman's heart is broken  
Ain't no flowers gonna bring her back to you  
No way  
When a woman's heart is broken  
She remembers it forever  
When a woman's heart is broken  
You can get on your knees  
You can beg and plead  
I ain't takin' your shit this time  
Let the door knob hit you son  
Pack your bags, keep movin' on
