Don't Leave Just Yet

NEEDTOBREATHE

We lost our love somehow it's proved without a doubt

You give up everything you have to get what you want

And I know it don't seperate, but my sins are in the way

And I come back and ask you for forgiveness again

It's easy to forget the glory and the way that we met

But you always remind me of the love that we hadLet's give this one more chance before we say goodbyeDon't

leave just yet

I was mistaken

My hands are tied and my time is wasting

And I just want you to know that I need you now

Don't leave just yet

OhCause we're all just the same

We all take the back door

We might be to blame

And I'll be the one to change

I don't wanna come back to see you get awayOh oh chet's give this one more chance before we say goodbyeDon't leave just yet

I was mistaken

My hands are tied and my time is wasting

And I just want you to know that I need you now

Don't leave just yet

OhOh oh oh

Don't leave

Oh oh oh

011 011 011

Don't leave

Oh oh oh

Don't leave

Oh oh oh

Don't leave
