Decay

Psordid

Ripping at me always pulling
Itâ€™s hard to see that Iâ€™m burning
Hard to keep my head above water
I am slipping even farther

Life takes more than I could give
How can it be this hard just to live
Dead is the day far as I can tell
I am giving up, I am in hell
I AM IN HELL

I see myself fall into decay
In this woe I see a new day
In this hell I can see
That this world will be the end of me

But you have given me the blood to bleed
One kind word is all I need
New is the day as far as I can tell
I will never give up
I will give them hell
I WILL GIVE THEM HELL

I see myself fall into decay
In this woe I see a new day
In this hell I can see
That this world will be the end of me

Get Up!

Fighting this war that Iâ€™m losing
I donâ€™t even know who Iâ€™m fooling
Gone are that days of preaching creeds
I canâ€™t save you
I have to save me
