Never Forget

Take That

We've come a long way
But we're not too sure where we've been
Tudutu

We've had success (Tudutu), we've had good times (Tudutu)
But remember this (Tudutu)Been on this path of life for so long
Feel I've walked a thousand miles
Sometimes strolled hand in hand with love

Everybody's been thereWith danger on my mind I would stand on the line of hope And I knew I could make it

Once I knew the boundaries I looked into the clouds and saw
My face in the moonlightJust then I realized what a fool I could be
Just 'cause I look so high you don't have to see me

Finding a paradise wasn't easy but still

There's a road going down the other side of this hillNever forget where you've come here from Never pretend that it's all real

Someday soon this will all be someone else's dream

This will be someone else's dreamSafe from the arms of disappointment for so long

Feel each day we've come too far

Yet each day seems to make much more

Sure is good to be hereI understand the meaning of "I can't explain this feeling" now

And it feels so unreal

At night I see the hand that reminds me of the stand that I made
The fact of reality (Oh)Never forget where you've come here from
Never pretend that it's all real

Someday soon this will all be someone else's dream

This will be someone else's dreamWe've come so far and we've reached so high

And we've looked each day and night in the eye
And we're still so young and we hope for more
But remember this We're not invincible, we're not invincible, no

We're only people, we're only people

Hey we're not invincible, we're not invincible

So again I tell youNever forget where you've come here from Never pretend that it's all real

Someday soon this will all be someone else's dream

This will be someone else's dreamNever, never forget where

Never pretend that it's all real

Someday soon this will all be someone else's dream (Woah)
This will be someone else's dreamNever, everybody sing, oh baby
Never, no never, never forget for love

Someday, louder, louder, louder loudOh, (Woah)

Never, everybody sing that song

Never, yeah louder, louder, louder now

Someday, come on, come on, everybody, everybody

Everybody, everybody, everybody (Woah)
