

Headknocker

Foreigner

He drives a '57 coupe
Walks with a stoop
Swears James Dean isn't deadHe's a dedicated rocker
A real headknocker
Don't look at his lady again'Cause if he catches you messin'
He's gonna teach you a lesson
Don't let me say it againHeadknocker, headknocker
You're comin' on strong, a real show stopper
HeadknockerHe might like to fight, oh, but boy does he love to play
Ooh, headknocker, headknocker
Ooh, headknockerHe's got an old fender strat
Plays behind his back
While he sings out Louie, LouieHe's a backseat mauler
A barroom brawler
I think he's gonna blacken your eyeIf that don't teach you a lesson
Might show you his Smith and Wesson
Now, don't let me say it againHeadknocker, headknocker
You're comin' on strong, a real show stopper
HeadknockerHe might like to fool around, ooh, maybe he doesn't love to play
Oh, maybe he doesn't love to play
[Incomprehensible] rock 'n roll, oh yeahHeadknocker
Listen to him, oh, yeah
Headknocker
No, he doesn't love to play
Headknocker
