

# We Found Love - Chuckie Extended Remix

**Rihanna, Calvin Harris**

Yellow diamonds in the light  
And we're standing side by side  
As your shadow crosses mine  
What it takes to come alive

It's the way I'm feeling I just can't deny  
But I've gotta let it go

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Shine a light through an open door  
Love and life I will divide  
Turn away cause I need you more  
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny  
But I've gotta let it go

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place
