

Cocaine

Nazareth

If you want to go out
You've got to take her out, cocaine
And if you want to get down
Down on the ground, cocaineShe don't lie, she don't lie
She don't lie, cocaineWell if you've had bad news
You want to kick your blues, cocaine
And if your day is done
But you just got to run on, cocaineShe don't lie, she don't lie
She don't lie, cocaineFeeling is gone but you just
Got to ride on, cocaine
But don't forget this fact
You just can't get it back, cocaineShe don't lie, she don't lie
She don't lie, cocaineShe don't lie, she don't lie
She don't lie, cocaine
