Three Cheers for My Baby

AMNESTY

you just imagine yourself at your favorite baseball game.
instead of your favorite team is your baby out there playing
she makes me feel, feel good,
she makes me feel so happy
oh oh, and when she touches the way she touches me
makes me sigh

give three cheers for my baby
give her three more cheers for my baby
yeah

my baby told me that she will always stand by me
through thick and thin it doesn't matter she will always be right beside me
I think she's mine for life
I guess that's why I'm always feeling good
oh and when she kisses the way she kisses me
makes me sigh

give three cheers for my baby

give three cheers for my baby, hey hey hey
for my baby, yeah, three cheers
for my baby, yeah, three cheers
just like a baseball game, my baby hits a home run (for my baby yeah, three cheers)
give her three more cheers
just like a football game, my baby runs a touchdown (for my baby yeah, three cheers)
give her three more cheers, yeah yeah yeah
each and every day i cry hip hip hurrah
for my baby, for my baby, for my baby
got to give her three more cheers
got to give her three cheers in the morning
got to give her three cheers in the evening.
