Severina

The Mission

She's got her head in the clouds
She's got the stars in her eyes
And she's dancing with a dream in her heart
She's got the wind in her hair
Moonchild shining bright
And she's dancing with a dream in her heart

Severina, Severina

She believes in angels
She believes in the will of the gods
And she's dancing amongst the magic dust
She believes in the midnight trance
She believes in 'love is the law'
And she's dancing amongst the magic dust

Severina, Severina
Star child
Baby born of heaven
Severina, Severina, Severina

She's got a heart full of promise
She's got her hand on her heart
And she's dancing by the light of the moon
She's got a head full of secrets
Sworn to the faith of 'love under will'
And she's dancing by the light of the moon

Severina, Severina
She's a gift from the gods and she's dancing
Severina, Severina
Star child
Baby born of heaven
Severina, Severina, Severina
