

# She's in Love with the Boy

Trisha Yearwood

Katie's sittin' on the old front porch  
Watchin' the chickens peck the ground  
There ain't a whole lot goin' on tonight  
In this one-horse town Over yonder comin' up the road  
In a beat-up Chevy truck  
Her boyfriend Tommy, he's layin' on the horn  
Splashin' through the mud and the muck Her daddy says he ain't worth a lick  
When it comes to brains, he got the short end of the stick  
But Katie's young and man, she just don't care  
She'd follow Tommy anywhere She's in love with the boy  
She's in love with the boy  
She's in love with the boy  
And even if they have to run away  
She's gonna marry that boy someday Katie and Tommy at the drive-in movie  
Parked in the very last row  
They're too busy holdin' on to one another  
To even care about the show Later on outside the Tastee Freeze  
Tommy slips something on her hand  
He says my high school ring will have to do  
'Til I can buy a wedding band Her daddy says he ain't worth a lick  
When it comes to brains, he got the short end of the stick  
But Katie's young and man, she just don't care  
She'd follow Tommy anywhere She's in love with the boy  
She's in love with the boy  
She's in love with the boy  
And even if they have to run away  
She's gonna marry that boy someday Her daddy's waitin' up 'til half past twelve  
When they come sneakin' up the walk  
He says, "Young lady get on up to your room  
While me and Junior have a talk" Mama breaks in, says, "Don't lose your temper  
It wasn't very long ago  
When you yourself was just a hay-seed plow boy  
Who didn't have a row to hoe" My daddy said, "You wasn't worth a lick  
When it came to brains, you got the short end of the stick"  
But he was wrong and honey you are too  
Katie looks at Tommy like I still look at you She's in love with the boy  
She's in love with the boy  
She's in love with the boy  
What's meant to be will always find a way She's in love with the boy

She's in love with the boy  
She's in love with the boy  
What's meant to be will always find a way  
She's gonna marry that boy somedayShe's in love with the boy
