Give It Up Or Turn It Loose

[James Brown](#)

Baby, give it up or turnit a loose
Baby, gives it up or turnit a loose
Starting over again
Baby, give it up or turnit a loose
Baby, give it up or turnit loose all rightBaby, give it up, turnit a loose
All night long, all right
All night long, ain't no useBaby give it up turnit loose
Lord have mercy
Baby give it up turnit lose
Lord have mercyHold you tight
'Cause I need you so
With all my might
I've got to squeeze you
Hold you tight
Because I love you so
Baby give it up all right
