Life In Hell

NoMeansNo

"Life in Hell" by Nomeansno
Foolish girl in swelling woman
Here's a blunt knife for your bosom
Here's the devil's hand to shake
Watch what the other tries to take
Hell
Life in Hell
By your loving disposition
you let him get into position
and train his rising gun upon
the cervix of your inner sun
Hell
Life in Hell
Can you not distinguish pain?
red nail and red shame
Woman, world in one complete
your heart's awake, your mind's asleep
you spread your inner sun to make
a den for some sly, basking snake
Which burns stronger?
I can't tell
The gowing sun?
Or fiery Hell?
Hell
Life in Hell
