Speechless

Count Basic

Give me your voice
Cause I'm too week
Lend me your tongue
For I cannot speak
Help me to say
What has to be heard
I need your help
To utter my words

Too much pain
I'm speechless
Too much to take
I'm speechless
Can't carry on
I'm speechless
Is there hope for me

A cry without voice
No tears in my eyes
Life without hope
Dispair bur no sighs
My hands are tied
I cannot move
Show me a future
To look into
