Nights Over Egypt (Masters At Work Main Mix)

Incognito

There`s a sky in the east
Over pyramids at Giza
Where there once lived a girl
She ruled the world
Then down the nile
He came with a smile
He was the king
She was the queen
Under the moonlight
Your eyes won`t believe
What your mind can`t concieveOooh
Nights over Egypt
Nights over Egypt
Nights over Egypt
Incense & myrrh
And girls that swirl
To the music
Nights over EgyptWomen fellahin
Wear veils to been seen
By no one
Take a caravan across
The sudan
Saharan fagade
Is just a mirage
Oasis in the sand
Where life once began
Under the moonlight
Your eyes won`t believe
What your mind can`t concieve
Nights over Egypt
Nights over Egypt
Nights over Egypt
Nights over Egypt
