

Nights Over Egypt (Masters At Work Main Mix)

Incognito

There`s a sky in the east
Over pyramids at Giza
Where there once lived a girl
She ruled the world
Then down the Nile
He came with a smile
He was the king
She was the queen
Under the moonlight
Your eyes won`t believe
What your mind can`t conceive Oooh
Nights over Egypt
Nights over Egypt
Nights over Egypt
Incense & myrrh
And girls that swirl
To the music
Nights over Egypt Women fellahin
Wear veils to be seen
By no one
Take a caravan across
The Sudan
Saharan facade
Is just a mirage
Oasis in the sand
Where life once began
Under the moonlight
Your eyes won`t believe
What your mind can`t conceive
Nights over Egypt
Nights over Egypt
Nights over Egypt
Nights over Egypt
