

I Just Don't Love You Anymore

[Jann Arden](#)

I just don't love you like I used to, like before
I just don't love you the way you want me to
No, I don't love you anymore
And I've been cryin' I just don't love you, don't love you
Don't love you, don't love you
Don't love you anymore You lie to me, cry to me
Crawl on your hands and your knees, begging please
Well what do you want? What is it you need?
I've given you all that I have I just don't love you anymore
No, I don't love you Pull me down, push me around
I've had about all I can take
You fooled around busy doing the town
Constantly leaving your bait Yes, I've been cryin' over you
No, I don't love you You lied to me, cried to me
Crawl on your hands and your knees, beggin' please
Well, what do you want? What is it you need?
I've given you all that I have I just don't love you anymore
No, I don't love you
And I've been crying
