Shine Like The Stars

Stellar Kart

Is it real
What you feel
Do you burn inside
Is it true
Within you
Is your spirit aliveTell me why do you fear
And try to disappear
If you've got nothing to hide[Chorus]
Shine like the stars
Wherever you are
Wherever you go
Be heavenly glow
Shine like the starsI hear you say
You know the way
Still you live like you do
But compromise
Only satisfies
The dying part of youTell me why do you go
On hiding when you know
The world is waiting for you[Chorus]Don't fall down
Don't burn out[Chorus]Wherever you are
Wherever you go
Be heavenly glow
Shine like the stars
(Shine like the stars)The stars
(Shine like the stars)
Don't burn out
