

Ugly

Cady Groves

You said right
You did it wrong
That's why we never get along
I can't believe I let you in
If lies where money
Boy you'd spend

You've got your reasons
I don't get them
But for you
Somehow its cool
Your whole existence
Inconsistent
With reality

So don't look at me
I just can't help it
Your UGLY!!

I know your rich
Your tailor made
The combination wasn't great
It's like your mouth
Was in a race
But your flavor's
LOST TASTE!!

You only call me late at night
Yeah!!
You keep breaking all the rules
As if they don't apply to you
Yeah!!
You don't have a clue!!

Don't look at me
I just can't help it
Your UGLY!!

Your just a pretty boy
With such a pretty voice

And all the STUPID girls
Listen cause they have NO choice!!

Your just a pretty boy
With such a pretty voice
And all the STUPID girls
Well,they have NO choice!!

I see through ALL
The static and the noise
Manipulating people
And you treat em' like TOYS!!

UGLY!!
UGLY!!
UGLY!!
LA LA LA
YOUR UGLY!!
UGLY!!
UGLY!!

Stop trying to speak
Your lips are too crusty
So full of
SHIT!!
I find you disgusting!!
Don't come to me
No one can help you

YOUR UGLY!!!

~Gross~
