

Split Seconds

Zeromancer

Open your eyes
Take a look around you
Light me up
Like I'm some kind of saint If black and white
Were the only colors
If you and I
Were the only ones Trying to buy some time
I'd try to buy split seconds
Trying to buy some time
I'd try to buy split seconds I open my eyes
And fear it's not the last time
You set me up
Like I'm some kind of fool Trying to buy some time
I try to buy split seconds
Trying to buy some time
I try to buy The scars to prove that
We're not the only ones
The scars to prove that
I am that I am Trying to buy some time
I try to buy split seconds
Trying to buy some time
I try to buy split seconds Trying to buy some time
I try to buy split seconds
Trying to buy some time
I try to buy split seconds Trying to buy, trying to buy
