

Thank You Very Much

Kaiser Chiefs

Didn't expect any of this
But it's really nice
Didn't want you to cause a fuss
But it feels alive So thank you very much
It's really nice to know
That you enjoyed the show
And I want you to know when to go 'Cause this should be a thrill
But it feels like a drill
Now you must let me go
Let me go I just imagine that of you
And there's nothing, nothing, nothing I can't do
I just imagine that of you
And there's nothing, nothing, nothing I can't do I just imagine that of you
And there's nothing, nothing, nothing I can't do
I just imagine that of you
And there's nothing, nothing, nothing I can't do I remember what it was like
And it was really nice
Never thought I would experience this
From the other side So thank you very much
That's really nice to know
That you enjoyed the show
And I want you to know when to go 'Cause this should be a thrill
But it feels like a drill
Now you must let me go
Let me go I just imagine that of you
And there's nothing, nothing, nothing I can't do
I just imagine that of you
And there's nothing, nothing, nothing I can't do I just imagine that of you
And there's nothing, nothing, nothing I can't do
I just imagine that of you
And there's nothing, nothing, nothing I can't do
