Perfect Lover

John Crampton

Are we ready?
Are we ready, ready?
Are we ready?
Are we, are we ready, ready?My body's feels like an inferno
Like I'm in a race and I'm jumpin' a hurdle
Come close so we can soothe it
Baby just let go, we can do itBaby I'm yours for the takin'
Bet you wanna see my body naked?
I know that you like the way I shake it
And I hope that you can take itYou're the perfect lover
I'm in love with all the things you do
So seductive, when you touch me
I can't get enough of youYou're the best
Baby, got me obsessed
And I can't catch my breath
Baby I must confess you got meWhen you come around
Got me so damn high, I can't come down
Every time you touch me there
You make me feel so hot, I love itEverythin' you do is so seductive
You got the thing that I want
And then some and I can't even front
So listenI know what you're missin'
You better hurry up 'cause time is tickin'
Tick tock, tick tock
Come and get me while I'm hotNow you're the perfect lover
I'm in love with all the things you do
So seductive when you touch me
I can't get enough of youYou're the best
Baby, got me obsessed
And I can't catch my breath
Baby, I must confess you got meWhen you come around
Got me so damn high, I can't come down
Every time you touch me there
You make me feel so hotPull up to my bumper, need a jump
Not a chump, get me up and runnin' low
Let me drive you crazy all night
'Cause we got so far to goPull up to my bumper, need a jump
Not a chump, get me up and runnin' low
Let me drive you crazy all night

'Cause we got so far to goYou're the perfect love
I'm in love with all the things you do
So seductive when you touch me
I can't get enough of youYou're the best
Baby, got me obsessed
And I can't catch my breath
Baby, I must confess you got meWhen you come around
Got me so damn high, I can't come down
Every time you touch me there
You make me feel so hot
