

Sticky Drama

Oneohtrix Point Never

Sticky drama is the girl for me
She's so sticky from the memories
You know it's so faded
They're here to seem famous Today she's dead
Get high
Look out "The World" Get the fuck down
I wanna see you falter 6175390

Potassi Uhhhm?
Dagger Prometheus
Time after time
Time after time
This is deep so far
It could be anything
It could represent water
I don't know

She's so sticky from the memories
You know it's so faded
They're here to seem famous
Today she's dead
Get high
Look out "The World"
Get the fuck down
I wanna see you falter 6175390

Dagger Prometheus
Time after time
Time after time
This is deep so far
It could be anything
It could represent water
I don't know
64687 TRASH
Time after time
Time after all
