

Heartbreak Hotel

Kelly Price

Whitney houston feat/faith evans & kelly price This is the heart break hotel

This is the heart break hotel

This is the heart break hotel

This is the heart break hotel This is the heart break hotel

This is the heart break hotel

This is the heart break hotel

This is the heart break hotel You said you'd be here by nine

Instead you took your time

You didn't think to call me, boy

Here I sit trying not to cry

Asking myself why

You do this to me, mm oh baby Since you're not around

For me to tell ya baby, face to face

I'm writing you this letter

And this is what I have to say 1 - all I really wanted was some of your time

instead you told me lies

when someone else was on your mind

what you do to me

look what you did to me I thought that you were someone

who would do me right

until you played with my emotions

and you made me cry

what you do to me

can't take what you did to me Now I see that you've been doin' wrong

Played me all along

And made a fool of me, baby

You got it all wrong

To think that I wouldn't find out

That you were cheating on me, baby

How could you do it to me Since you're not around

For me to tell ya baby, face to face

I'm writing you this letter

And this is what I have to say Repeat 1 Heartbreak hotel

This is the heart break hotel

This is the heart break hotel

This is the heart break hotel

This is the heart break hotel Repeat 1 with ad lib until fade
