The World

Evi Edna Ogholi

The world is going Bad eh.. Uhh uhh uh
Situation getting bad eh.. Uhh uhh uh
And the people are getting mad eh.. Uhh uhh uh

You Know life the worst situation
Is that nations fighting other
Many people suffering in the land
Rivalries rather become a war
Corruption of the tongue , yeah woyoo..!!

The world is going Bad eh... Uhh uhh uh
Situation getting bad eh.... Uhh uhh uh
Many people are getting mad eh.... Uhh uhh uh

There is no human sympathy
Some are killed to serve ritual killing
Brothers where are we heading to uuhh
Sisters where we going from here
Oh Jah send your love down yeah woyoo!!

The world is going Bad eh... Uhh uhh uh
Situation getting bad eh.... Uhh uhh uh X2
Many people are getting mad eh.... Uhh uhh uh

The world is going Bad eh...
Situation getting bad eh....
Many people are getting mad eh....
But Jah Jah children need is peace and love
Oh just save us from the situation
Oh Jah Jah children need is peace and love
Oh Just save us from the situation

You Know life the worst situation
Is that nations fighting other
Many people suffering in the land
Rivalries rather become a war

Corruption of the tongue , yeah woyoo..!!

The world is going Bad eh... Uhh uhh uh
Situation getting bad eh.... Uhh uhh uh
Many people are getting mad eh.... Uhh uhh uh

There is no human sympathy
Some are killed to serve ritual killing
Brothers where are we heading to uuhh
Sisters where we going from here
Oh Jah send your love down yeah woyoo!!

The world is going Bad eh... Uhh uhh uh
Situation getting bad eh.... Uhh uhh uh (x2)
Many people are getting mad eh.... Uhh uhh uh

Uhh uhh uh x2
Many people are getting mad eh...uhh uhh uhh
