

# Wretched And Divine

## Black Veil Brides

Go I am the innocence  
I am what could have been  
The dreams you talk about  
Now left on broken skin Your lies is stereo  
All in when chaos rings  
The world is sturdy huh  
Bounced down and twisted maze A word of hate a race we are the ones  
They all look the same  
Our time is come I am the chosen wretched and divine  
I am the unspoken  
The one they left behind  
Feelings fire till we die  
I am broken the wretched and divine I am the devil's smile  
The one caught every day  
A hopeful people's speech  
Won't stop to you to bleed I am the hurricane  
And I'm the strongest one  
As they sit back and laugh  
The world you left is just being A word of hate a race we are the ones  
They all look the same  
Our time is come I am the chosen wretched and divine  
I am the unspoken  
The one they left behind  
Feelings fire till we die  
I am broken the wretched and divine I'm broken (broken) the wretched and divine (Divine) We live from the  
broken hearts  
We watch them fall apart  
We live for the ones who don't know they exist  
We die for the endless winter  
We came from the land of sin  
We die for the ones who raise their  
Hence two reasons I am the chosen wretched and divine  
I am the unspoken  
The one they left behind  
Feelings fire till we die  
I am broken the wretched and divine I am broken (broken) the wretched and divine (Wretched and divine) The  
wretched and divine
