

Delinquent

Tad

Gotta raise hell
Before the same man comes
The same man comes
The same man comes Lose no time and have some fun
Gonna have some fun
I'm gonna have some fun Take my car when no one goes
Gonna learn the blaze and no one knows
Make war on my human soul
Gonna run wild, ain't gonna go
Some fun all night, all day Ain't no life gonna bring me down
Ain't no cops in this old town
Goin' right down to the liquor store
Gonna drink tail, I can't drink no more
Gonna rap the gas, and bob the clutch
Gonna ditch ya, cause I'll had enough
Gonna drive around 'til the light of dawn
Gonna ... this bob, until the feelings gone Some fun all night, all day
Some fun all night, all day
Gonna have some fun
'Til I'm heading off
I'm gonna have some fun
'Til I'm heading off Some fun all night, all day
Some fun all night, all day
