

Time to Go Home

Chastity Belt

Yeah, we were sitting in silence
Nothing worth a while to say
Wanting something that would cut deep
Gonna have a minute for the nightUuuuh, I can't see straight
Uuuuh, look who is fittingI just want to have a good time,
I hope you have a strong heartUuuuh, I can't see straight
Uuuuh, look who is fittingEverything is good at home,
It cuts illusion too
Yeah, I think I figure it out
Yeah, I think I figure it out
Time to go, time to go, time to go home
Time to go, time to go, time to go home
Time to go, time to go, time to go home
Time to go, time to go, time to go home
