

Del Rio

St. Vincent

We were down on 10th
You told me I looked spent
Gave that look you give
And rushed me to the riverDel, Del Rio
Del, Del RioWe filled our cups
Drank to drinken up
Then when we were done
We threw ourselves in the riverDel, Del Rio
Del, Del RioGetting some strange looks back from the shore
And you, you pinched my arm
Said, "Look who's lucky now."
And you, you saved my life
Too many times to countDel, Del Rio
Del, Del Rio
