

# Calling You

## Blue October

There's something that I can't quite explain,  
I'm so in love with you  
You never take that away  
And if I said it a hundred times before  
Expect a thousand more  
You never take that away

Well expect me to be calling you to see  
If you're ok when I'm not around  
Asking if you love me  
I love the way you make it sound  
Calling you to see:  
Do I try to hard to make you smile?  
To make a smile?

Well I will keep calling you to see  
If you're sleeping are you dreaming  
If you're dreaming are you dreaming of me  
I can't believe you actually picked me

I thought the world had lost its way  
(It's so hard sometimes)  
Then I fell in love with you  
(Then came you)  
And you took that away  
(It's not so difficult the world is not so difficult)  
You take away the old  
Show me the new  
And I'll feel like I can fly when I stand next to you

So while I'm on this phone, a hundred miles from home  
I'll take the words you gave and send them back to you  
And all I wanna see if you're ok when I'm not around  
Asking if you love me  
I love the way you make it sound  
Calling you to see:  
Do I try to hard to make you smile?  
To make a smile?

I will keep calling you to see

If you're sleeping are you dreaming  
If you're dreaming are you dreaming of me  
I can't believe you actually picked me

Well I will keep calling you to see  
If you're sleeping are you dreaming  
If you're dreaming are you dreaming of me  
I can't believe you actually picked me

I will keep calling you to see  
If you're sleeping are you dreaming  
If you're dreaming are you dreaming of me  
I can't believe you actually picked me

Woah oh oh oh oh oh ohhhh  
oh oh oh ohhhh  
Woah oh oh oh oh oh ohhhh  
oh oh oh ohhhh  
Woah oh oh oh oh oh ohhhhh  
oh oh oh ohhhh  
Woah oh oh oh oh oh ohhhhh  
oh oh oh ohhhh  
Woah oh oh oh oh oh ohhhhh  
oh oh oh ohhhh
