Bad Bitches Do

Moniece Slaughter

Hunnit thousand on the sofa
Ain't ain't nun you can tell me
Niggas slide in my inbox daily
Talkin bout please be my baby
We skip lines when we go out
We ain't gotta say shit cuz we show out
We looking good when we pull up
We killin it, it's a murder

We can't get enough
Bad bitches we gotta link up
We don't give a fuck, it's the weekend, we pourin it up
City to city, I got my bad bitches with me
Walk in and shut down the building
Sorry that's just how we feeling
