It's Not So Bad

[Prozzak](#)

It's not so bad to be alone
It's not so bad to be alone
I keep telling myself
(It's not so bad to be alone)
I keep telling myself
(It's not so bad to be alone)
Every time I think of you
I just don't know what to do
And when I go to sleep at night
Regret those times we used to fight
And after all is said and done
I realize you were the one
I keep telling myself
(To be alone)
I keep telling myself
(To be alone)
I keep telling myself
(To be alone)
I keep telling myself
(To be alone)
Every time I think of you I just don't know what to do
(I keep telling myself to be alone)
When I go to sleep at night, regret those times we used to fight
(I keep telling myself to be alone)
And after all is said and done, I realize you were the one
(I keep telling myself to be alone)
