It`s Ok

ë„¤ë²„ë§ˆì•¸ë“œ

The rumble of the rail line on her way
And the summer lights fallin' down, let's go run away
You will always hear the call, you will never live to fall
You'll never live the way your livingThe mumble of the distance running by
And the way you look all around, no one's gonna die
You and I we never loved, you and I we cried
We never liked to think we'd give inIt's okay
It's okay
Don't fear, I'm here with you
It's okayThe rumble of the rail line on her way
And the summer lights fallin' down, let's go run away
You will always hear the call, you will never live to fall
You'll never live the way your livingIt's okay
It's okay
Don't fear, I'm here with you
It's okayYou will always hear the call, you will never live to fall
You'll never live the way your livingIt's okay
It's okay
Don't fear, I'm here with you
It's okayIt's okay
It's okay
Don't fear, I'm here with you
It's okay
