

# I Never Lied to You

Syd Barrett

There will be shoulders pressing in the hall  
And I won't know if you're here at all  
There will be wine and drinking in the yard  
There won't be anybody very hard  
There will be lots of things that we can do  
And all and more will be for you  
Everything I knew I tried it with you  
But everything to you was never easy  
So I went ahead around my world  
I saw the things you do, arriving by your side  
To see you looking too  
But I know this, I know, I never lied to you  
It's been just like you're gone  
For just one day, for so long  
It's been so hard to bear with you, not there  
But though I think of you  
The things you do, when I'm with you  
To be with you  
To be alone, can only think  
Why I am here? What's meant to be?
