Cool

Alesso

I saw stars on the pavement
California dreams
Looked up through the bright lights
No stars that I seeYou said, "It's all yours if you take it there."
I said, "I can't do it alone, I swear."
You said, "It's all yours,
It's all yours when you smile."It's only you, you
Who loves me like you do, do
Trying to keep it cool, cool
But I can't keep cool about it
Acting like a fool, fool
Wanna scream it from the roof, roof
I'm trying to keep it cool, cool
But I can't keep cool about it, about itBefore you, love, I was lost
Drifting at sea
You were the beacon I followed home
You were the one who rescued meYou said, "It's all yours if you take it there."
I said, "I can't do it alone, I swear."
You said, "It's all yours,
It's all yours when you smile."It's only you, you
Who loves me like you do, do
Trying to keep it cool, cool
But I can't keep cool about it
Acting like a fool, fool
Wanna scream it from the roof, roof
I'm trying to keep it cool, cool
But I can't keep cool about it, about itYou said, "Oh, whoa.
I won't lose you, no, whoa."It's only you, you
Who loves me like you do, do
Trying to keep it cool, cool
But I can't keep cool about it
Acting like a fool, fool
Wanna scream it from the roof, roof
I'm trying to keep it cool, cool
But I can't keep cool about it, about it
