Lost In Paradise

çŽ‹è‹¥ç•³

Verse 1:
What am i supposed to do with this heart
How do i take it off,
If i love it on,
Its like a work of art
In love, we all, will fall but
We fell a little harder .
What am I supposed to do with this heart?
Chorus:
It may be wrong but it feels right
To be lost in paradise.
I'm so lost in paradise .
If I open up my eyes.
I can see the storm, I can see the sky.
I can see the darkness, flashing lights
All my fears, gone tonight
Let me stay
I'm lost in paradise
.....(Bass Slap)
Verse 2:
How was I to know, that my love was dillusional?
Somebody tell me how the mend, a broken-hearted soul .
