# Happy Tears

## Mark Bale

I cried when I heard you were cheating
I cried when I said I was leaving
I cried when my heart stopped believing
But I'm all out of tearsThen I fell so weak but I know I'm strong
So I wipe my face and I just move on
My eyes are red, my cheeks are dry
Singing my last goodbyeI cut off my hair
And I painted my toes
I sold all the diamonds
And burnt all your clothesI ain't never gonna cry again
I ain't never gonna cry again
I ain't never gonna cry again, noUnless they're happy tears
Whoa, whoa, whoa
Unless they're happy tearsI bet you've been trying to call me
I blocked all your number so you couldn't phone
Don't wanted hear, "Baby, I'm sorry"
You don't get to apologize'Cause I'm not weak, I know I'm strong
You hurt me once, your chance has gone
Our love is dead but I am still alive
Singing my last goodbyeI cut off my hair
And I painted my toes
I sold all the diamonds
And burnt all your clothesI ain't never gonna cry again
I ain't never gonna cry again
I ain't never gonna cry again, noUnless they're happy tearsI cried when I slashed all your tires
I cried when your suites hit the fire
I cried 'cause I'll never see you again
But those were happy tearsI cut off my hair
And I painted my toes
I sold all the diamonds
And burnt all your clothesI ain't never gonna cry again
I ain't never gonna cry again
I ain't never gonna cry again, noUnless they're happy tears
Whoa, whoa
(Happy tears, happy tears, happy tears, happy tears)
Whoa
(Happy tears, happy tears, happy tears, happy tears)
Unless they're happy tears
(Happy tears, happy tears, happy tears, happy tears)
