Into the Great Inferno

Penitent

There is a passage.
A sparkling gate to a world unknown.
Many paths to walk upon.
Roads that are not for humans.Visions of a long forgotten land.
A world untouched by man.
Below is the pit of cold winds.
A place where hollow anxiety reigns.Cold is the universe of intense wishes.
An eternal emptiness.
Infinite is the longing.
The wish to enter this passage.Intense is the wish that won`t fade away.
Longing for the ultimate fire.
The suffering in the valley of death.
For ever the flames will eat your flesh.
I need no suffering flames.
That I have experienced here on earth.
Send me into the great inferno.
For it is there my soul belongs.
