

Heartbeat

Melanie Thornton

You came into my life
And you showed me how to feel.
You covered me with love
And you made me feel so real.
I don't want to lose your love
You're the only one I'm dreaming of.
Let this feeling never end
You were heaven sent! Love is just a heartbeat away
Now here is my promise:
I'll take you to the moon and back
I'll light each star for you
Love is just a heartbeat away
To you I'll swear, babe:
I'll let the snow fall down in June
To make my dream come true, that you'll be mine! I'll be there for you
You can always count on me.
I don't want to live without you
(Without your love - without you near by my side)
I just want to spend my time - close to you
You make me feel so right.
Let this feeling never end
You were heaven sent! Love is just a heartbeat away
Now here is my promise:
I'll take you to the moon and back
I'll light each star for you
Love is just a heartbeat away
To you I'll swear, babe:
I'll let the snow fall down in June
To make my dream come true, that you'll be mine! You came and changed my life
Cause you showed me:
Honesty, true love and dignity.
It's so amazing it's so sweet it feels like heaven! Love is just a heartbeat away
Now here is my promise:
I'll take you to the moon and back
I'll light each star for you
Love is just a heartbeat away
To you I'll swear, babe:
I'll let the snow fall down in June

To make my dream come true, that you'll be mine!
