

# Suicide

## Urchin

The spirit was freedom and justice  
And it's keepers seem generous and kind  
It's leaders were supposed to serve the country  
But now they won't pay it no mind  
'Cause the people grew fat and got lazy  
And now their vote is a meaningless joke  
They babble about law and order  
But it's all just an echo of what they've been told  
Yeah, there's a monster on the loose  
It's got our heads into a noose  
And just sits there watchin'

Our cities have turned into jungles  
And corruption is stranglin' the land  
The police force is watching the people  
And the people just can't understand  
We don't know how to mind our own business  
'Cause the whole worlds got to be just like us  
Now we are fighting a war over there  
No matter who's the winner  
We can't pay the cost  
'Cause there's a monster on the loose  
It's got our heads into a noose  
And it just sits there watching
