Knock-Down Drag-Out

Weezer

Any day now you'll call me up on the phone
Say you love me more than you ever did beforeIt's all that I can do right now
To make it up to you somehow
And meet you on the other side of homeTake no prisoners here in this knock down drag out war
That we're waging on each other forevermoreIt's all that I can do right now
To make it up to you somehow
And meet you on the other side of home
Say you love me nowIt's all that I can do right now
To make it up to you somehow
And meet you on the other side of homeTake no prisoners here in this knock down drag out war
That we're waging on each other forevermore
That we're waging on each other forevermore
