Yesterday

En Vogue

Ooh yesterday
All my troubles seem so far away
Now it looks as though their here to stay
Ooh, I believe in yesterday
I believe in yesterday
All so suddenly
I'm not half the girl I used to be, oh no no no
There's a shadow hanging over me
Ooh yeah
Yesterday came suddenly, yesterday came suddenly
Why he had to go?

I don't know
But he wouldn't stay around here long he wouldn't stay
I said something wrong, now I long for yesterday
Yesterday, love was such an easy game to play
Now I need a place to hide away
I believe in yesterday
I believe in yesterday
I believe in yesterday
I believe in yesterday
I believe in yesterday
