The Only Way Out (is To Walk Over Me)

Dolly Parton

The only way out
Is to walk over me
So you found someone else
And you're going to leave
Did she tell you, "I don't love you"?
Did you really believe?
On the floor, by the door
I'll be down on me knees
'Cause the only way out
Is to walk over me
You don't hear and you don't feel
But I know you can see
And just to prove that I love you
I'll crawl at your feet
Just look down at the ground
Where your footprints will be
'Cause the only way out
Is to walk over me
You have put me just as low
As anyone ought to go
But I'll lay down beside
What's left of my pride
If you go then you'll know
'Cause you can't help but see
That the only way out
Is to walk over me
You have put me just as low
As anyone ought to go
But I'll lay down beside
What's left of my pride
If you go then you'll know
'Cause you can't help but see
That the only way out
Is to walk over me
Yes the only way out
Is to walk over me
