

# All Black Everything

## Elijah Blake

I'm out here looking for a coffin we can both fit in  
Cuddle up as we get buried deep  
Hope we meet in heaven, we can still be friends  
Right now bae let's sleep eternally  
'Cause you're democrat, I'm republican ever since I got some bread  
The only thing in common is we got a black president  
Been playing tug-o'-war so long there's barely any rope left  
Damn, we fell six feet(Guess you and I can rest in peace, woo-hoooo)  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you are  
(Your loves is as good as dead to me)  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you are  
(There'll be no funeral for me, woo-hoo woo-hoooo  
'Cause your love is good as dead to me)  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you lie  
(You lied to me)Not scared of going under cause we been down for so long  
Ran out of promises we couldn't keep  
Maybe I could be your brother if we get reborn  
That leaves no room for infidelity  
Cause you care too much, I don't care enough, our hearts begin to bleed  
Like cancer, it's killing us, this love is like a disease  
It's Mars versus Venus every time we greet  
But Mary, don't you wait for me(Guess you and I can rest in peace, woo-hoooo)  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you are  
(Your loves is as good as dead to me)  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you are  
(There'll be no funeral for me, woo-hoo woo-hoooo  
'Cause your love is good as dead to me)  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you lie  
(You lied to me)You and I can rest in peace  
Your loves as good as dead to me  
There'll be no funeral for me  
This loves as good as dead to me(You and I can rest in peace  
Your loves as good as dead to me)

Guess you and I can rest in peace  
Drop dead beautiful, drop dead beautiful  
Drop dead , drop dead  
Drop dead beautiful, drop dead beautiful  
Drop dead , drop deadI'm sorry baby, we couldn't fix it baby  
Now it's buried babyDrop dead beautiful, drop dead beautiful  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you are  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful, drop dead beautiful  
Drop dead beautiful you are
