

# Once It Was Alright Now (Farmer Joe)

[Laura Nyro](#)

"Farmer Joe, Im the meanest woman you know  
Woman you know", she said  
Farmer Joe, Im the meanest woman, you know  
Woman you know  
I let you slide about an hour ago, nowFarmer boy, get your gun, run, run, run  
Farmer boy, get your gun, run, run, run, run, run, run, run  
Farmer boy, get your gun, run, run, run  
Farmer boy, get your gun and run, run, run  
Like a son of a gun from love  
Running from the mind reader, run baby, runGot a date with the town shoe maker you know, baby you know  
She said, "I cant wait for your cornfields to grow, baby to grow"  
Whoa, baby, whoa baby, give my bags and let the good wind blow  
Give my bags and let the good wind blowGive my bags and let the good wind blow  
Ive got to see about a man I know  
Fire, flames of gold rush my mind  
Fire, flames of gold rush my mindSock it to the railroad, baby  
Baby, theres a train whistle coming  
Baby, theres a train whistle comingOnce it was alright, alright, baby  
Once it was alright, alright, baby  
Once it was alright, alright, no
