

# King Nothing

## Metallica

Wish I may, wish I might  
Have this, I wish tonight  
Are you satisfied?  
Dig for gold, dig for fame  
You dig to make your name  
Are you pacified?  
All the wants you waste  
All the things you've chased  
Then it all crashes down  
And you break your crown  
And you point your finger  
But there's no one around  
Just want one thing  
Just to play the king  
But the castle's crumbled  
And you're left with just a name  
Where's your crown King Nothing?  
Where's your crown?  
Hot and cold  
Bought and sold  
A heart as hard as gold  
Yeah! Are you satisfied?  
Wish I might, wish I may  
You wish your life away  
Are you pacified?  
All the wants you waste  
All the things you've chased  
Then it all crashes down  
And you break your crown  
And you point your finger  
But there's no one around  
Just want one thing  
Just to play the king  
But the castle's crumbled  
And you're left with just a name  
Where's your crown King Nothing?  
[Incomprehensible] Nothing  
Where's your crown?  
I wish I may, I wish I might

Have this wish, I wish tonight  
I want that star, I want it now  
I want it all and I don't care how  
Careful what you wish, careful what you say  
Careful what you wish, you may regret it  
Careful what you wish, you just might get it  
Then it all crashes down  
And you break your crown  
And you point your finger  
But there's no one around  
Just want one thing  
Just to play the king  
But the castle's crumbled  
And you're left with just a name  
Where's your crown King Nothing?  
Nothing  
No you're just nothing  
Where's your crown King Nothing?  
No you're just nothing  
Absolutely nothing  
Off to never, never land
