

# Don't Take Your Love Away

Vast

I am looking for an inspiration  
And I think I found it in your heart  
It's the kind of thing you get when you're not looking  
It's the kind of thing you had from the start  
Put me on a ship that is sinking  
On a voyage to an untamed land  
Take away the freedoms I wanted  
I understand  
Please, don't take your love away from me  
Don't take your love away from me  
Please don't take your love away from me  
Please don't take your love from me  
Put me inside flesh that is dying  
A ghost that wanders without rest  
Buried by desires and weakness  
I understand  
Please, don't take your love away from me  
Don't take your love away from me  
Please don't take your love from me  
Please don't take your love from me  
Hmm  
Hmm
