

When I Dip (Dillon Francis AIRHORN Remix)

Bingo Players

Check, check, check
See, get low, limbo,
And then we circle around, indoor
And if you ain't spend money in here
We've only got 2 words for you, get go
See, I'm on a march, set go, so don't hold on to it, let go
They say more money, more problems
I say money no problem, let's go When I dip, you dip, dip, dip
To the floor don't stop give me what you got
When I dip, you dip, dip, dip
To the floor don't stop give me what you got
Check, check, check
Check, check, check
Check, check, check
Check, check, check
See, get low, limbo,
And then we circle around, indoor
And if you ain't spend money in here
We've only got 2 words for you, get go
See, I'm on a march, set go, so don't hold on to it, let go
They say more money, more problems
I say money no problem, let's go
When I dip, you dip, dip, dip
To the floor don't stop give me what you got
When I dip, you dip, dip, dip
To the floor don't stop give me what you got
When I dip, you dip, dip, dip
To the floor don't stop give me what you got
When I dip, you dip, dip, dip
To the floor don't stop give me what you got Check, check, check
Check, check, check
Check, check, check.
