I'm Not a Fool

Immature

I'm reminiscing on all the times we shared
I can't seem to forget the times that we spent
And I miss your pretty smile just seemed to brighten up my day
I want you here with me, I'm callin' out your nameHear me, my pretty girl, you're on my mind
I want to hold in my arms
Tonight, let's make it right
Unless we're face to face you can't relate to what I have to sayI'm not a fool
Please don't break my heart
I'm daydreamin' about you and I need you in my life
I'm not a fool
Please don't break my heart
Please don't break my, don't break my heartI'm sitting in my window
Watching cars go by
And hoping that one
You will be inside and II want you here with me
No explanation goes
You know the way I [Incomprehensible]
You be there for sureNo, no my baby girl
I want to hold you in my arms
Tonight, let's make it right
Unless we're face to face you can't relate to what I have to sayI'm not a fool
Please don't break my heart
I'm daydreamin' about you and I want you in my life
I'm not a fool
Please don't break my heart
Don't break my heart, don't break my heart
I want you in my life, babyAnd babe, I want to hold you
In my arms
Tonight, let's make it right
Unless we're face to face you can't relate to what I have to sayI'm not a fool
Please don't break my heart
I want you in my life
I'm not a fool
Please don't break my heart
I want you in my back
I want you in my back here with me on my sideI need you in my life, my life
I want you by my side, my side
I need you in my life
I want you by my side, my side

I need you in my life, my life
I want you by my side, please come back
